Recycle Relay at the Lapwai Boys & Girls Club!

The Lapwai Boys & Girls Club has been learning about recycling with Jon. In April they participated in a Recycle Relay—dividing into two teams and racing against each other to see how fast they could correctly sort a pile of rubbish and recyclables into containers labeled for plastic, cans, paper, & trash. Popsicles and a good time were had by all!

“Talkin’ Trash”

Household Hazardous Waste

- did you know that residents of Nez Perce & Asotin Counties can take up to 10 gallons or 20 containers of HHW to **Asotin County Landfill** for free?!

Wednesdays 8-4

1st & 3rd Saturdays 8-4

Including: All types of batteries, all types of paint and adhesives, used motor oil, anti-freeze, gasoline, other flammable materials, cleaners, aerosols, herbicides, pesticides, fertilizers and other poison materials, pool chemicals, mercury thermometers, switches and thermostats.

Asotin County Landfill

2901 6th Avenue • Clarkston, WA 99403

509-758-9230

Congratulations !!!

Kim Bomar

Winner of April's “Betcha can't guess...” aluminum can weight

Kim's guess: 800 lbs.

Actual weight: 810 lbs.

Thank you to all who helped by recycling cans & bottles during the b-ball tournaments & General Council

— That's a lot of bottles & cans !!!

—And a Very Special **Thank You !** to **Moana's Café** for donating the prize!!
